CANOWINDRA CLINIC A SUCCESS

Wayne was so, so lucky with the weather at Canowindra on the weekend of 5/6th September! Rained right up until very early Saturday morning - then bright sunshine for most of the two days then rain again on the Monday.

We have had some lovely feedback from some of the students - from Kirsty *"I got some much more from the clinic than I thought I would, and hope to make some real progress with Blue now. I was almost in tears when I managed to get him on the float, as it has been such a big problem for me!!"* Another sentiment, *"Thank you very much for directing us to Wayne we are of the same opinion as you about him"*.

Wayne truly loves teaching and helping along partnerships with people and their horses. We thank you for being part of Wayne Caslick Horses Naturally!

Thankyou to Denese who helped organise the day.

A Floatloading lesson which was successful.

OVER THE PHONE SUPPORT DOES HELP

This is information for anybody who attends Wayne's clinics.

If you are experiencing a challenge with your horse after attending a clinic and you can't quite get it right - please call us on 02 68446213 - we recently assisted a student from the Canowindra Clinic who does have a very strong minded horse. The Float loading went well at the clinic but not so well a week later and after battling for quite a few hours, we got a call for help. Wayne was able to give advice over the phone of what could be going wrong. Well, it worked and student and horse have now have a stronger partnership happening (and hopefully the horse will have a much more increased respect for the owner).

**So don't battle and let the horse have a win - we want you to win all the time
Call us for advice!**

INFORMATION REGARDING BOOKING CLINICS....

- ◆ **If you regularly attend Wayne's clinics** - you only need to fill the **Liability Waiver** once per year unless your health status changes - this impacts on insurance etc. Less paperwork to fill in!
- ◆ **However everybody must fill in a Rider Application form** and send it through to actually register for the clinic.
- ◆ **If direct depositing into our account** - please attach an identifying name with your deposit. Generally your last name and perhaps the first few letters of the clinic you are attending would be great.
- ◆ **Unfortunately, if we do not have the required number of people** which is a minimum of 10 and a maximum of 12 then we may have to cancel. Your place and your payment will be transferred to the next clinic in your area OR if you wish to travel to another clinic—you are most welcome BUT you need to arrange this with us!
- ◆ **We have organizers in each location, organizing the clinics for us** - their role is to promote the clinics as much as possible to gain the maximum number of participants. We will cover the costs of all advertising etc. We ask the organizers to help us with local phone numbers or contacts for venues and to put up flyers etc. PLEASE DO NOT PAY THE ORGANISERS OR GIVE THEM YOUR FORMS— IT IS NOT THEIR RESPONSIBILITY TO HOLD YOUR MONEY OR FORMS FOR THE CLINIC.
- ◆ **You need to tell us via email or phone call if you** require a receipt for your payment for work purposes etc for those in the horse industry or in general. Jenny does all book work (as well as work full time) so will need time to carry out your request.
- ◆ If you need further information about anything, please call Wayne or Jenny on 02 68446213 in the night — no question is a silly question!!!!!!

APOLOGIES TO THOSE WHO BOOKED INTO THE LINTON CLINIC - SEPT

Unfortunately, we were unable to secure a minimum of 10 participants for the clinic at Linton Park in mid September. We do apologise for any inconvenience - we do know participants were looking forward to it — so was Wayne.

It would be appreciated if anybody would like to help Nicki, our organizer, promote the clinics— flyers can be sent down to be distributed around town or pony clubs etc.

Phone Jenny (night time) or email so flyers can be sent to you etc.

It is important clinics are promoted so the knowledge can be shared and more horses are happier!!
